REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: None of the prior art shows the instantly claimed limitations. In particular, none of the prior art shows a heating element movable in an x-axis and a y-axis and a bimodal pitch adjustment device for displacing workpieces moveable along a z-axis and y-axis. The newly cited reference to Nuxoll shows a movable detaching mechanism but does not show the heating element.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
